### **Senior Center, Inc. Scholarship Instructions**

The Woodland Senior Center, Inc. will award a \$600 scholarship per semester for two consecutive semesters to qualified candidates attending community college, university or a professional technical school, whose educational goal will help and benefit seniors. Scholarship funds will be granted just prior to the beginning of a semester. Previous scholarship recipients are not eligible. A maximum of two semester awards will be given to any recipient.

SCI Scholarship Applicants must:

1. Be a continuing college student who has successfully completed 6 or more units.
2. Be currently enrolled in, and complete, a minimum of 6 units, if part-time, or 12 units, if full time, in a program that when completed would end up helping & benefitting seniors.
3. Have a cumulative grade point average of 2.5 or above.
4. Be a resident of California
5. Use the scholarship for educational purposes: registrations, tutoring, books, etc. Confirming receipts and a letter explaining the student's progress in their program will be required to the distribution of the second scholarship payment.
6. Complete and mail the application in the month prior to the beginning of the semester or quarter to the address shown above to Scholarship Chair, including:
  - a. A completed and signed "Scholarship Application".
  - b. Two Letters of Reference by academic or professional individuals, no family relation to the applicant.
  - c. Unofficial college transcripts showing grades and classes to date for current semester or quarter, official transcripts for any previously completed classes.
  - d. An essay of at least 500 and no more than 750 words explaining the applicants need for the scholarship, by addressing:
    1. What challenges (financial or otherwise) the applicant faces in completing their chosen field of education?
    2. What are the student's educational goals now and after graduation?
    3. How will this scholarship assist the applicant in meeting their educational goals?
